Welcome to a wonderfully located 2 storey on a quiet cul de sac. This large family home has been superbly maintained over the past 30 years. The furnace has been updated, along with the boiler, and new triple pane windows were installed in 2023. The main floor has an open floor plan. The kitchen was updated 10+ years ago and boasts granite counter tops, high end SS appliances, and a large island. A spacious living room with a wood burning fireplace is just off the kitchen. The expansive deck looks west! There is a triple car garage (26x26ft), laundry room and 3 piece bath also on the main floor. The upper level includes a huge primary bedroom with a walk in closet, additional room with options and a 5 piece ensuite, two additional bedrooms and a 4 piece bathroom with dual sinks. The lower level is a walkout basement with a huge rec room, a sizable bedroom and a 3 piece bath. The entire floor is heated with an updated boiler that has regularly been serviced.
